To The Citizens of Schley County,

The Schley County Board of Assessors has contracted with GMASS, Inc. to perform a complete revaluation of all property in Schley County. This is necessary to come back into compliance with the Georgia Department of Revenue. As part of the revaluation, all property in Schley County will be reviewed by their field appraisal staff. They will be confirming property data that is currently listed on the tax digest and taking photographs. Their vehicles will be marked with company magnets, and they will have a photo ID while in the field. A list of the field appraisers with their photograph, vehicle information and tag number has been supplied to local law enforcement agencies and city and county officials. If you have any questions or concerns, please feel free to contact our office.

Thank you in advance for your understanding and cooperation in this matter.

Kind Regards,
Joe Wright
Chief Appraiser
