

**SCHLEY COUNTY BOARD OF COMMISSIONERS**  
**Tuesday, June 19, 2018**

The Schley County Board of Commissioners held a meeting June 19, 2018 for a presentation on Code Red. Those present were: Chairman Greg Barineau, Vice-Chairman Doug Jamieson, County Manager Bill Sawyer, and County Clerk, Kathy Bruer.

**ITEM 1. CALL TO ORDER**

Chairman Barineau called the meeting to order and welcomed all guests.

**ITEM 2. CODE RED PRESENTATION**

Chairman Barineau turned the meeting over to Bill Sawyer. Bill then introduced Becki Gallahan who introduced the Code Red Program and how it works.

Becki stated there is an annual fee for the program. County information will be announced a minimum of four times per year. Each individual will have to subscribe to the system. It is not an automatic thing that happens. They can target certain areas or entire county or city; whatever the need is they can be specific to the need. You can have unlimited groups and unlimited numbers. Certain employees would have access and the system can call, text, or email.

They use a national database to get numbers. In addition, an ad would be put in the paper, we can print signs, add to our FB page, etc. There is an opt in option on the website for residents to get the alerts.

Mainly it is word of mouth advertising. They will provide a complimentary press release and have a test call. If someone doesn't have internet at home they can ask a friend to sign them up, or get a family member to do it for them. There is a telephone number they can call, as well.

Such notices as weather related messages, burn bans, water bans, general comments, road closures, etc. Those who would support the system would be the Chairman, Vice-Chairman, County Manager, Sheriff, EMA Director, and Fire Chief.

The Commissioners decided they would like to pursue the system for the county.
