2. INVOCATION

Commissioner Jones gave the invocation.

4. DISCUSSION STEVENS ROAD WELL

Minutes:

Doug Jamieson stated that at the Utilities Authority meeting there was a unanimous vote for Don Smith to come work on the well. Last Tuesday at our regularly scheduled Commissioners meeting it was discussed and called for a motion; the motion was tabled. On Wednesday, Doug talked to Commissioner Belcher about the meeting on Tuesday night and filled him in on what transpired at the Commissioners meeting; Vice-Chairman Belcher is also on the Utilities Authority. Doug Jamieson then talked to Attorney Jimmy Skipper for a ruling. Skipper said that since we have no binding agreement between the Boards that we should follow the Golden Rule. Doug then stated that since we have put Boards into place to make decisions and they did make a decision, we would be chopping them off at the knees for the Commissioners to change the vote. Commissioner Jones asked for more information about the background. Doug Jamieson stated that previously Mike Hammack recommended we work with Don Smith; he didn't have the equipment to do the work. Since we have already called Don Smith and are on his schedule, Doug and Art felt that this Board

has put the Utilities Board in a bad situation. Doug had already talked to Lynne McChargue about us going on City water if we need to. Vice-Chairman Belcher made a motion to allow Don Smith to work on the well this time; seconded by Commissioner Pilcher and all were in favor.

5. MOTION TO ADJOURN

Minutes:

Commissioner Jones made a motion to Adjourn the meeting seconded by Commissioner Pilcher and all were in favor.
